

ROANOKE NEWS

ROANOKE, VA., August 1.—Sunday, Presiding Elder Isaac Ewer was present at Mt. Zion A. M. E. Church to conduct his second quarterly conference. The services morning and night were very helpful and inspiring. The Elder preached great sermons at both services.

The quarterly conference was held Monday night. Reports were very good. Conversions 12, decessions 5. \$1,800.00 were raised in the past 3 months for all purposes.

Bishop Clare was in Roanoke last Sabbath and preached two wonderful sermons at St. Paul's Memorial A. M. E. Church morning and night. At 3 o'clock he preached at Salem, to a splendid audience.

He lectured Monday night to a large audience in St. Paul's auditorium on, "The Habits and Customs of the People of Liberia, West Coast Africa." It was great. A silver offering was lifted by Rev. James S. Hatcher and T. W. Hale, of Mt. Zion A. M. E. Church. \$50 were raised.

Rev. D. R. Powell and his people had Elder Medley and his congregation to worship with his people Sunday at 3 P. M. There was quite a large attendance.

Miss Ida Booth, of 709 Eighth Avenue, N. W., left last week for Philadelphia and Atlantic City for

two weeks vacation. Rev. Silvers and wife have been in the city the past week visiting Mrs. Eliza Clayton of Wells Alley, N. W. and Mr. James Brown and family of Ninth Avenue, N. E. Rev. Silvers has assisted Rev. W. M. Gilbert and other ministers of the city since his arrival.

Mrs. Mary Smith, of Mullins, W. Va. is in the city this week, accompanied by Mrs. Goodman. They will spend a while with old friends.

W. F. Hughes, better known as "Ding It," the father of the tribe known as the Hogs, decided that he would assist M. D. Barlow by asking a donation. So the old hog is rooting some. He promises to surprise M. D. B., one of the tribe who was injured sometime ago and is still in Burrell Memorial Hospital. He promises not to present him less than 25 snackers. I am sure the young hog will appreciate the project. He is getting on nicely. W. B. F. C. is out of town but he being the biggest hog, we are certain his donation will be forthcoming.

The Stork visited the home of Mr. and Mrs. Nathaniel Moore, 309 Ninth Avenue, N. W. and left a bouncing baby boy, July 18, 1922. Mother and baby are getting along fine.

MISSOURI REFUSES

(Continued from First Page.)

Chancellor refused to consider the offer and refused to permit our Supreme Representatives to present the matter to the Supreme Lodge at Topeka in 1921, and failed and refused to present the matter to the Supreme Lodge himself.

WHEREFORE, the Supreme Lodge having failed to act for or against our proposition, I feel that we have done all that we are bound to do in law and in honor and that we must act in good faith with the loyal members and lodges who have paid this unjust tax I therefore

Recommend that, All money that has been collected for the 25 cents Pythian Temple Sanitation Tax be refunded to the Lodges that have paid same and that the G. K. of R. and S. be instructed to draw the necessary orders on the Grand Master of Exchequer with in 30 days after the adjournment of this session and that the further collection of said tax be discontinued.

MISSOURIANS OUTSPOKEN.

This was adopted by a vote of 40 to 66. The most astounding part of the whole business was the election of Prof. Charles H. Brown of St. Louis as Supreme Representative. He has been an uncompromising opponent of the Pythian Temple Tax all along and in his opposition ranks with John Mitchell, Jr., of Virginia and his associate, B. R. Jefferson, M. D. Sir J. D. Sexton was re-elected Supreme Representative. The next fight will be staged at the New York session of the Supreme Lodge and Missouri will join Virginia in the contest before the Supreme Court at Washington.

MACON MOB WREAKS WRATH ON MURDERER OF DEPUTY.

Macon, Ga., August 1.—Overlaken by a mob of 300 determined men, a man identified by officers as John Glover, alias "Cockey," slayer of Walter C. Byrd, deputy sheriff of Bibb County and George Marshall, a colored deputy, was put to death at 1 o'clock today two miles from Holton, just across the line in Monroe County.

The prisoner was in charge of Deputy United States Marshal Newberry, who had gone to Griffin for him, and Deputy Sheriff Mullaly. Before Glover was put to death, Mr. Mullaly begged members of the mob to allow the law to take its course. The mob turned deaf ears to the pleadings of the officer however, and tying Glover against a tree, fired several shots into his body.

HALT BURNING OF BODY.

Several members of the mob

gathered brush and placed it around the body and set fire to it. The fire was extinguished, however, by other men in the party.

The body of Gilver, wholly unrecognizable, because it had been so badly mutilated, was brought to Macon this afternoon at 2:30 and dumped on the pavement in front of Hatfield's poolroom, where the shooting took place Saturday night. Thousands of curious persons viewed the mangled body while the police tried to keep order. The body was picked up by deputies from the sheriff's office, after it had lain on the sidewalk for fifteen minutes, and carried away for burial.

ARKANSAS STAGES LYNCHING BEE AT HOT SPRINGS.

Hot Springs, Ark., August 1.—Gilbert Harris, colored, was taken from officers here this morning and hanged in a public square, following the death early today of Maurice Connelly, an insurance solicitor who was shot last night by a burglar. Harris, who was arrested early today, was said by the police to have answered a description given to a man seen running from the scene of the shooting. He protested his innocence.

According to the police Harris served a sentence in the Arkansas penitentiary for burglary.

THE SLAYER OF CHAMBERS WAS USING A RIOT GUN.

Norfolk, Va., August 1.—That the man who fired the shot or shots which killed Jim Chambers, colored runner and killer, last Friday, must have used a riot gun, was the consensus of every one who attended the coroner's jury hearing on the shooting last night in Justice Wright office at Ocean View. Two flattened bullets exhibited by Dr. A. G. Horton, which were removed from the body of Chambers were undisputedly two buckshot which are contained in a riot gun shell.

One of the misshapen slugs taken from the head of the dead man, and which caused his death, weighed 58.75 grains. The other, taken from the right leg, weighed 53.90 grains. An unused riot gun pellet weighs about 59 grains. Dr. Horton testified that the loss in weight of the bullet might be occasioned by the chipping off of even an infinitesimal part of the lead. Even a tiny chip would change the weight.

The verdict announced by Justice Wright after the coroner's jury had reviewed the testimony presented by about ten witnesses was that "Jim Chambers came to his death at the hands of officers, whose names are unknown, in the discharge of their duty and in self-defense." The jury offered the suggestion also that having heard the statements of members of the Norfolk police department that they recommended that some consideration in share of the reward be shown to the person who first gave the information to Justice Wright at his office, to Alexander Ananias, and the greater part of the reward be given to the widows of the slain Federal officers, Cary D. Freeman and H. H. Fisher.

ON AN EXTENDED MOTOR TRIP.

Messrs Thomas Hugh and Clinton Douglas Brown motored from New York City through Philadelphia, Baltimore and Washington en route to Richmond in their McFarlan touring machine and spent ten days visiting their parents Rev. and Mrs. John Lewis Brown and relatives. While here they motored to Chester, Petersburg, and several other places visiting friends.

They were royally entertained by their parents and relatives. While here they witnessed the thirtieth anniversary of their father, who is now pastoring at the Pleasant Grove Baptist Church, in Hanover, County, Va.

On last Wednesday they were the guest to dinner at the home of Miss Maude E. Brown's. On Thursday they were given a swell send off from the home of their Aunt Mrs. Captoria Taylor on 28th street. Everybody was lively and there was a plenty of string music. The boys left for New York Friday morning between the hours of four and five o'clock with much reluctance.

FIVE LOCAL CHOIRS STAGE BIG SACRED CONCERT.

An unique program was rendered at the Fifth Street Baptist Church last Sunday afternoon, when five of the church choirs were programmed for the evening. The meeting was fostered by Mme. Ella O. Waller for the benefit of the Old Folks Home and the piano fund of the Community House. The welcome was by Mrs. Susie A. King. As each choir was called for its rendition the choir leader gave a short talk, all of which proved very interesting.

Fifth Street's choir, with Prof. Joseph Matthews, leader, opened up with "Teach Me," with Miss Lillian W. Crump in the title role. Mrs. Mary E. Satterfield presided at the organ. Prof. Walter Jones and Ebenezer's choir followed with "Pest-Te Deum." Miss Maggie Booker, Messrs. Robert A. Cole and Thomas Gilpin taking the leading parts. Mr. E. T. Pollard was the accompanist. First Baptist, South Richmond under the leadership of Prof. C. H. Munford, rendered a beautiful anthem. Mrs. M. V. Nelson presided at the organ. The Junior Choir of Moore Street rendered "Sing Hosanna," with Madame Roper at the organ. Mr. John Mabrey was in charge.

Mme. Louise T. Dean with the Sixth Mt. Zion Junior Choir made a very favorable impression. Prof. Joseph Woolfolk was the accompanist and Miss Lena Cardwell and Mr. Benjamin Deane rendering special parts. Fifth Street closed with a double chorus, Mr. Walter T. White leading with tenor solo. Mrs. Ella Carter recited by special request and was accorded an ovation.

Mrs. Maggie L. Walker made choice remarks, concluding with an offer of paying the balance due on the piano after the \$50 silver offering had been utilized. Mrs. Lillian Payne was mistress of ceremonies and Dr. T. J. King had charge of the devotionals.
